A dependable relationship, not disconnected services.

One person learns the senior's routines, follows through and keeps the authorised family contact meaningfully informed.

01

For seniors

Friendly support that protects everyday independence, dignity, choice and connection.

02

For families

Factual updates, clear next actions and accountable local follow-through without constant noise.

03

For the home

Approved coordination for appointments, transport, errands, vendors and everyday practical needs.

Four parts of life, coordinated as one.

01

Wellbeing coordination

Appointments, records organisation, medicine-stock observation and qualified-provider referrals.

02

Everyday assistance

Transport, errands, technology support and verified home-maintenance coordination.

03

Life and connection

Conversation, walks, hobbies, celebrations, community activities and local outings.

04

Family assurance

A named Care Partner, documented visits, agreed alerts and regular support-plan reviews.

MEMBERSHIPS

Choose the level of assurance your family needs.

Every membership covers one senior, includes a named Care Partner and begins with a three-month minimum.

CONNECT

Rs 4,900 / month

2 home visits + 2 care calls; monthly family update.

ASSIST

Rs 8,900 / month

4 home visits + 4 care calls; 2 accompaniment sessions; monthly review.

ASSURANCE

Rs 14,900 / month

8 home visits + 4 care calls; 4 accompaniment sessions; weekly updates.

Taxes, purchases, transport and third-party professional charges are extra and approved separately. Final fit follows assessment.

Relationship first. Systems underneath.

1

Family discovery

Understand routines, concerns, geography and what the senior wants.

2

Home assessment

Confirm willingness, practical needs, consent and service-area fit.

3

Written support plan

Agree priorities, schedule, contacts, sharing preferences and boundaries.

4

Care Partner matching

Introduce the named Care Partner before regular visits begin.

5

Documented support

Record visits, calls, requests, actions, approvals and updates.

6

Regular review

Review what changed and whether the plan still fits.

CURRENT LOCATIONS

Local enough to remain reliable.

Pratipala currently accepts enquiries in four South Bengaluru neighbourhoods. Exact address and PIN eligibility are confirmed before assessment.

01

Koramangala

Visits, calls and local accompaniment subject to route confirmation.

02

Jayanagar

Visits, calls and local accompaniment subject to route confirmation.

03

Basavanagudi

Visits, calls and local accompaniment subject to route confirmation.

04

JP Nagar

Visits, calls and local accompaniment subject to route confirmation.

Why a focused zone? It reduces travel uncertainty, supports Care Partner continuity and gives supervisors practical oversight.

Useful help, with no vague promises.

PRATIPALA CAN COORDINATE

- + Planned visits, care calls and companionship
- + Appointments, transport, errands and approved vendors
- + Accompaniment within the membership
- + Priority urgent coordination during published hours

PRATIPALA DOES NOT PROVIDE

- Diagnosis, treatment, nursing or medicine administration
- Guaranteed emergency response or hospital admission
- Cash withdrawal, PIN, OTP, password or legal-document handling
- Continuous bedside or personal-attendant care
- Transport in a Care Partner's personal vehicle

A THOUGHTFUL FIRST CONVERSATION

Let us understand what would help.

We will confirm the senior's willingness, address eligibility and service fit before recommending a membership.
